We focus on safety, training and regulations of our team which lead us to acquire top ranking credibility in the energy industry. Our highly experienced and responsible team ensures timely delivery of product with exact specifications.

OUR PRODUCTS:

Our prime product is ADNOC, ENOC quality diesel fuel, which means that sulphur content is up to a maximum of 0.001% (10 PPM), strictly in accordance with the Ministry of Petroleum and natural Resource's rules and regulations. Constantly leading industry progress and setting benchmarks in the Delivery of diesel fuel, **Abu Hussam Diesel Trading** strives to offer top quality and environment friendly Products to meet customer's demands. We NEVER compromise quality over price, hence, we take pride towards the complete satisfaction of our working Partners.

DIESEL IS AN IMPORTANT FUEL:

Diesel fuel is important to the UAE economy. As a transportation fuel, diesel fuel offers a wide range of performance, efficiency, and safety features. Diesel fuel also has a greater energy density than other liquid fuels, so it provides more useful energy per unit of volume.

DIESEL FUEL USES:

Our Diesel Fuel is used in diesel engine generators to generate electricity. Many industrial facilities, construction sites, crushers, transport companies, hospitals and bunkering for backup and emergency power supply

CAPABILITIES FOR THE ACTIVITIES:

We distribute Diesel to local market and bunkering field as well as construction companies, marine, cement factories, hotels and various industries.

PRECISE QUANTITY:

All the tankers are fitted with L.C meters to ensure the accuracy in quantity. We have enough storage to facilitate our customers with multiple filtering systems at ABU DHABI Terminal.

VEHICLE TRACKING:

Fuel security, all vehicles are fitted with GPS vehicle tracking to monitor our fleet 24/7 improving safety and assisting with schedule of fuel deliveries.

SAFETY EQUIPMENT:

Drivers are fully compliant with Environment, Health and Safety (EHS) and our trucks exceed all Petroleum Industry safety required compliance.

MAN POWER FOR DELIVERY:

Our support representatives are available 24/7 365 days to ensure that the supply chain is maintained & operated smoothly and to deliver prompt, accurate & cost effective responses to all customer requirement.
